The tutorial for the new version of CRPS is now available for you to use. To access the tutorial, go to the DDS Applications/Test folder and locate the CRPS Tutorial folder. Four icons are located inside the folder.

CRPS v3.2 Tutorial Login.fp5 - to launch the tutorial, double-click on the CRPS v3.2 Tutorial Login.fp5 icon

TRAINING GUIDE.doc - it is suggested that you print out the training guide before using the new software

USER AND OPERATIONS GUIDE.doc - it is suggested that you print out the User and Operations guide before using the new software

CRPS MISC Reports Setup - to use the CRPS Misc Reports, double-click on the Setup icon. The reports will install to your desktop. These files may periodically be updated. When that happens, you will receive a notice to re-run the installer.

You will need to install FileMaker Pro 5.0 before using the tutorial or the new system. The FileMaker Pro Setup icon is located in the DDS Setup folder. The FileMaker Pro User's Guide is located at:
 http://odin.msfc.nasa.gov/dds/DDS%20Reference%20Guide/windows/
